It is not very easy to design a yearbook. There is a lot of work to be done and a lot of responsibility that goes into the job. It's an even bigger job to design a yearbook that the students will like and enjoy.

It's true that every so often people get tired of "the same old thing."

Sometimes, too, people run out of ideas for the "same old traditions." So this year, we decided to do something different with our yearbook. We decided to get away from tradition and try what many colleges have started to do.

We thought it would be interesting for you and also a challenge to us to come up with something new. I hope with all the time the staff and others are putting into these three sections, that you will enjoy them.

Of course, there are some people who do more

than others, and therefore deserve credit. I would like to give special thanks to these staff members.

Rich Tunis, who even after graduation, returned to perfect the sports.

There're also Rich Jablonski and Jeff Crooks, who came through with the photographs when we needed them most. A big thanks goes to Harry of Bodie's, who taught us better late than never and helped get the show on the road.

A special thanks to Mrs. Myers for all the help she gave me and for the yelling to make me get my work done.

And I would like to thank the rest of the staff for adding their 2¢.

Now I would like to present you with the first section of your new yearbook. May you enjoy it.

We've Come a Long Way, Tigers!

Students Celebrate Homecoming Activities

This year Homecoming Week was enhanced by Auto-graph, Sports, '50's, Kiddie, and Loyalty Days'. Tech Tigers in large numbers participated in the spirit raising festivities throughout the week, as well as the Parade, Tricycle Race, and Powder Puff Game held Saturday. The Senior Class "drove" away with first prize in the Float Contest, Lettermen's Club took first in the Tricycle Race, and Mrs. Vadas' room won the Homecoming Door Contest.

With a 0-0 tie, the Senior Girls, coached by Mr. Osburn and Mr. Wesley, won the Powder Puff game on yardage. During half-time of the Tech-Clark game,

"Will you hold still!!!"

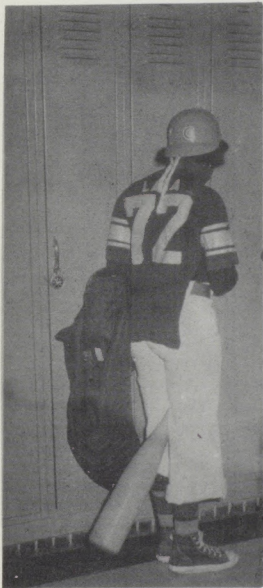

All set to go to sleep in class.

"I hope my boyfriend doesn't see me."

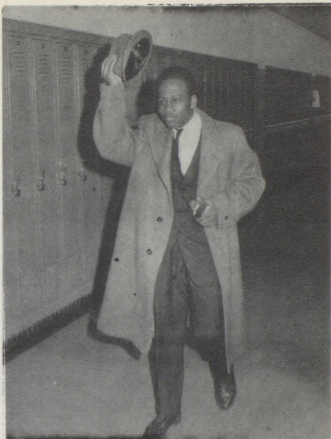

Pam Goodpaster was announced Homecoming Queen. Her Court consisted of: Sandy Strauch- Senior Princess, Rose-Ann Makarewich- Junior Princess, Cathy Lunsford- Sophomore Princess, and Madeline Lucero- Freshmen Princess.

Despite all the pre-game activities, Tech suffered a loss at the hands of the Clark Pioneers, 7-14.

Drama Department Stages Theatrics

The Tech Drama Department's first production of the year was "An Evening of Christmas." This consisted of "The Littlest Angel," and various readings of Christmas and Hanukkah. The production was the first time all three departments, Choral, Band, and Drama, had combined their talents.

February 23rd was the date for two performances of "The Red Shoes," which the Tech players produced for the Hammond Association of Childhood Educators. The play provided mid-winter entertainment for all elementary stu-

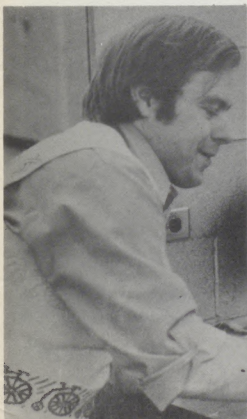

dents in Hammond.

This spring Tech will receive a charter for the National Thespian Society. This is an honorary organization based upon a point system. Students are selected on past performances, both backstage and in acting capacities. This organization is for drama as well as choral students, and is designed for the advancement of the theatre arts.

The final performance of the school year will be, "The Importance of Being Earnest," a Victorian drawing room comedy, with all three scenes on stage.

Choral Sponsors Stage Experience And Aids Vocal Embellishments

With the theme, "Serendipity Experience," the fall concert was presented November 16, 1973. All five choirs participated, with a total of 180 students singing to an audience of 850.

During December the annual Christmas Concert presented "We Wish You A Merry Christmas." Later that month Concert Choir sang Christmas tunes over WJOB, and at the School Administration Center.

At the District Solo and Ensemble Contest, sixty Tech students entered five ensembles and twelve solos. Winning a first place in the ensemble's division were: Girls' Barber Shop Quartet, Folk Singers, Boys' Ensemble, and Girls' Ensemble-B. Doreen Lee, Jerry Storey, Becky White, and Ken Van Sickle placed first in the different soloist categories.

Girls' Barber Shop, ensemble, and Doreen Lee, soloist, took first place during the State Music Contest, held at Butler University, Indianapolis.

During March the Choral Department participated in the Broadway musical comedy, "Flower Drum Song." Miss Snyder directed, Doreen Lee student directed, with many of the lead parts played by Choral students. The entire Concert Choir participated as the chorus.

The final concert will be held May 17, with music awards presented at this time.

The Tech Folk Singers opened their season by singing for a Girl Scout Banquet at Tech. They have twenty-eight shows scheduled for this school year.

Conducting: Miss Velma Snyder.

Choral presented many night concerts.

The Hammond Tech Band started off the year with a busy schedule of football games at which they performed. Besides entertaining the crowds of avid spectators, the Band also played the tunes requested by the Pom-Pons and the Majorettes, such as "Hava Nagila" and "Michael Melody".

Providing the music, the Tech Band participated in the annual Christmas Parade through downtown Hammond. Despite cold mouthpieces and frigid instruments they proudly marched along.

Next on their agenda was "An Evening Of Christmas". Working with the Choral and Drama Departments, they supplied Christmas music "to soothe

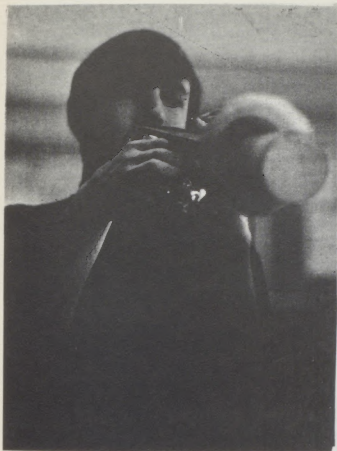

the savage beast".

Quickly thereafter Basketball Season was upon them, and as with the football games, the Band played at half-time.

The NISBOVA Contest held in February was a success for all Tech participants. All who attended returned with an "excellent" rating, as well as ten medals.

During March they participated in the musical production of "The Flower Drum Song".

The Instrumental Department is divided into three areas: Concert Band, Cadet Band, and Instrumental. All three are conducted by Mr. A. Henderlong, Band Instructor.

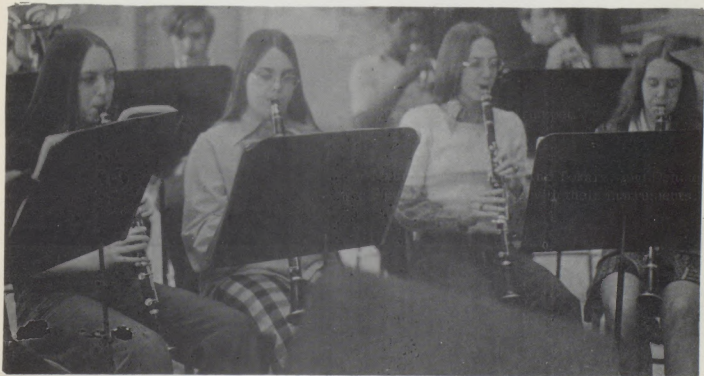

Bill Legg plays the trumpet.

Maureen Cook, MaryAnn Tokarz, and Denise Siedentopf practice with their instruments.

Joyce Mulvihill, Debbie Dickus, Debbie Zarowny, and Pat Taylor play their clarinets.

Tennis Team Attempts, but Fails to Overcome Foes at Season's End

Ample experience and obvious ability wasn't enough for tennis players to rely on as racketeers found themselves all but satisfied with a final 2-5 season slate.

Tech's only victories came over East Chicago schools Roosevelt and Washington early in the season. After being shut out 5-0 by Hammond Morton, hopes were that victories over Whiting and Gavit would afford Tigers a 4-3 record. Disappointment made its mark as these final matches were both lost causes.

Sectional action opened the door of hope but victory was not to be. Tech dropped Gavit in the first round doubles but fell to Bishop Noll in round two.

Tech also stopped Roosevelt in their doubles division, but fell to a revenging Gavit dub. All told, Tigers

finished with a sound ninth place in conference action.

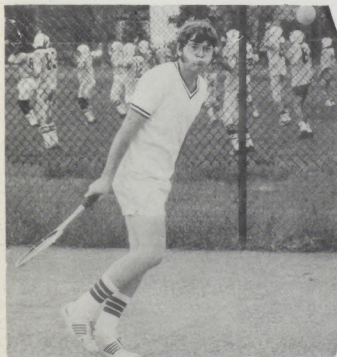

Lost to graduation this year are Wade Massengale, Bruce Harold, and John Russell.

In Soundly Defeating Area Teams, Distance Runners Gain Satisfaction

More than a year of respectability can be granted Tech distance runners this past season. Fine performances by individual stars combined for excellence throughout the season.

Harriers opened the season with a shocking 21-39 loss to Munster's finest. Two days later Tigers placed a solid sixth in a 25 team field at Thorton Fractional Invitational. From there, Tech was victorious in ten successive outings, including wins over conference teams, Clark, Gavit, and Morton.

State powerhouse Portage defeated Tech 43-17 September 27 to break Tigers winning streak. Dunelanders took five of the top six places including

positions 1, 2, & 3. A victory over ECR October 2 failed to stimulate Tech runners as eventual conference champion Hammond held on for an easy victory the same day. Tech placed only three men in the top ten, and only one in the first six.

In conference action at Dowling Park, Tigers took a hefty third place behind HHS and Clark.

Crown Point sectional saw Tiger endurance gain them a more than respectable sixth place in a 24-school field.

In season competition, Tech senior ace Dave Aulph set a $2\frac{1}{2}$ mile school record with 12:47 clocking. Other senior standouts lost to graduation are Rich Madeka and Rich Jablonski.

Freshmen Football Squad Drives-- Dives to Experience Varying Year

Once again frosh pigskin Tigers displayed fine talent and gained a well-deserved 4-5 season tally for their trouble. Teams with determination are far apart and few between, but freshman football coaches R. Reyome and C. Emlund have had the experience of coaching many these past few years. The '73 squad was no exception.

Tigers opened by losing to Noll's Warriors 4-0 but came back to defeat Hammond Gavit 14-6. A 14-8 loss to E.C. Roosevelt came next, followed by a perfect won, lost, won, lost pattern for the remainder of the year.

When asked to comment on the season as he saw it, Coach Reyome replied, "although the season ended on a sour note, the win over Hammond made the season a complete success."

JV Team Lacks Support / Incentive ; Learning Stunted by Disappointment

Disappointment and disgust well describe the B-team Tigers feelings when confronted with an 0-7 cumulative record in two years.

A lack of enthusiasm and little support have almost condemned Tech junior-varsity football forever. Joining with plyable attitudes are unchangeable circumstances including many game cancellations these past seasons. Gridders plan to face 1974 with determined hope.

Goaline Defense, Superior Rushing Gain Gridders Successful Season

With a determined smile and forceful attitude Tech cagers faced the 1973 season. A disappointing 2-8 season in '72 mounted their hate for the opponent.

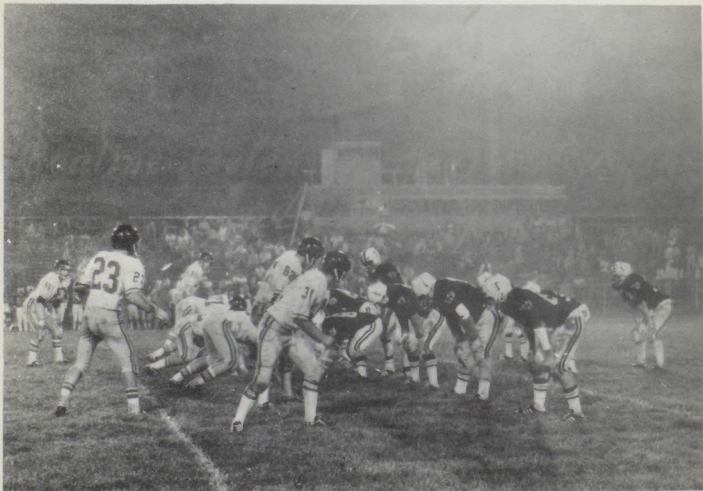

A 7-6 squeaky win over Bishop Noll in the opening contest perked Tigers' ear. But after being handed two successive losses, (see scorebox), gridgers became discontented. A 15-14 tissuepaper loss to Hammond added to the disenchantment.

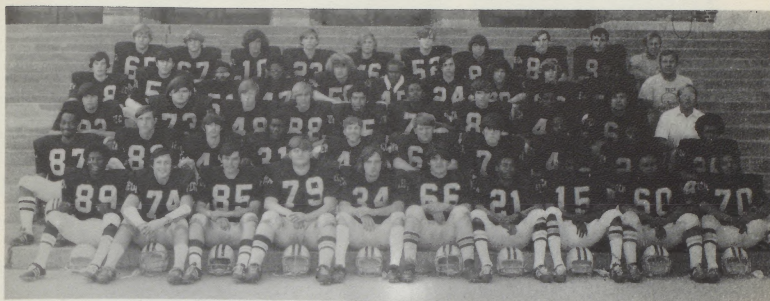

At seasons end, Tech had landed a 4-5 slate and Tigers claim that they are ready for the coming '74 season.

Snow and the cold are scenes of winter expressing feelings of loneliness and quietness. Yet for the winter sportsman it is a time for activities such as ice-skating, skiing, snowmobiling and many other winter sports.

Winter seems to remind us of people bundled up building snowmen, having snowball fights, sitting around a fire-place roasting marshmallows and drinking hot chocolate. But for others it is a time of dullness and dreariness while waiting for the recreations of summer to begin. Many people are making their plans for things like graduation and vacations, while some students will search for summer jobs.

This winter the energy crisis caused many problems, even if people wanted to go on a trip to get away from the cold, they couldn't because many cars were lined up and sometimes sitting for hours waiting for gas.
